Chairman's Notes

- Members have been provided two handouts on CIPC studies.
 - The first table documents the period 1983-1985. In essence all of these studies have been completed, with the exception of the Mobile Missile Study. ✓
 - The second handout is a list of those studies and activities tasked by the DCI that are to be completed in 1986--we will discuss these studies in greater detail during today's meeting.
- In the event all the members haven't heard, advise them that CIPC staff, has been appointed Assistant NIO/Narcotics.
